

We are still rejoicing in the birth of our newest granddaughter, Jehosheba (Sheba), to Nathan and Keyla, 11 days ago. We marvel at the Lord's kindness, giving an easy birth and grace to Nathan to deliver the baby himself, as the midwife was caught in traffic and did not arrive in time!

**We want to express once again, our deep thanks to you for your crucial role in the Lord's work here at Camp Berea and the surrounding areas.**

We are so keenly aware of our weaknesses, and know it is only through the Lord that we are enabled to do anything of value here, and we praise Him for His

provision of strength, grace, and His wisdom, as well as His financial provision for us to be here through your faithful gifts. Thank you from the bottom of our hearts.

Please pray with us for the AMOR Divino outreach in the city of Maravatío February 18-23, where we will seek to deliver a gospel of John and/or gospel tract to all the homes and carry out evangelistic presentations in the parks each evening. We have a team of 80-90 believers to help us. We are asking the Lord to work beforehand in the lives of those who will hear and receive the material, so they might begin to hunger for the truth and for righteousness, and when we arrive, they might see that God is answering their longing, and may see that this message is from Him, not from us.

In Christ's love,

Ted and Priscilla Clark
