DEDICATION OF THE MIXTEC NEW TESTAMENT

The Nuyoo Mixtec New Testament:

The presentation is scheduled to begin at 10 am Saturday, March 9. Attendees will need to leave Tlaxiaco (Mixtec market town) about 6 am. The Harrises and Mixtec believers are arranging a breakfast in a comedor (eating area) in the Nuyoo market area from approximately 8 to 9 am.

Pray for travel safety for many people. Pray for good weather, great presentation of the NT with reading of the NT and music, and many Mixtec people buying the NT. Most of all that God will be glorified through all that happens and many lives will be changed through applying God's Word in the language that speaks the best to them.

RECORDING THE JESUS FILM INTO CUICATEC

What we wrote last month:

The script for the Jesus film has been written. Now for the excitement, Peter Terrell with his team will come and record the Jesus film in our Cuicatec

village. The plans are for this to happen the middle of the month.

Update this month:

The recording of the Jesus film is on hold. The hope is that they can do the recording in April. Continue to pray that this recording can be done in the right time and it'll impact the lives of the Cuicatec folks in Santa Maria Papalo as well as other Cuicatec villages.

WE THANK YOU

**Your prayers, notes of encouragement and
financial support allow us to be partners.**

Together we bring God's Word so the Mexican people

can hear and read it in the language they know best .
